

PUA 120
SuperSport
PORTABLE PERFORMANCE SYSTEM

Product Information

The innovative AS120 SuperSport system is a portable performance surface that can dramatically improve sporting experiences for everyone.

The unique interlocking tiles are very easy to use and can be laid out in as little as 30 minutes on any hard surface to create amazing sports pitches, courts, tracks & wickets.

The system can be used indoors and outdoors and the kit comes complete with 120 sqm of performance surface, ramped edges, re-useable line tape, storage trolley and a user guide.

PopUpArena provides a portable, adaptable and creative alternative to traditional facilities, supplementing the competition and activity experience which is so important in removing barriers and inspiring a generation to participate in athletics across the nation

Chris Jones – CEO, England Athletics

From a coaching perspective this surface is excellent. Safe, consistent and grippy - even in the wet - and forgiving on young muscles and joints. It is durable, looks very professional, is quick and easy to set up and gives a whole new dimension to our in-school coaching programmes.

David Ghosh, MD, Inclusive Coaching

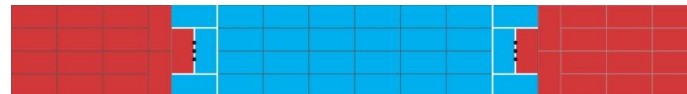

The AS120 SuperSport has been designed for multi-sport use and can be configured and scaled to suit the space you have available. You can add to your kit to create larger PopUpTracks, PopUpCourts and PopUpPitches.
